St Catherine's Church is on the Aylsham Road (A140) out of Norwich between the inner and outer ring roads. If you travel around the outer ring road, turn towards the city along the A140 at the Boundary junction (i.e. the opposite direction to the airport) and the church is on the right just past the Mile Cross Road traffic lights.

The church website (www.stcatherinesmilecross.org.uk) has a link to a map of the area and, for those using satnav, the post code is NR3 2RJ.

**Please notify the Warden's office of your intention to come
and the food you will contribute.**
